

GREETINGS

We would like to introduce you to the **BARRY WEBB EVANGELISTIC MINISTRIES**. You may have met Barry and Cheryl at a Pastor's fellowship, attended one of their services when they were in your area, or perhaps this brochure is your first contact with the team. In any case, we would like to acquaint you with their ministry.

BACKGROUND

Both Barry and Cheryl were raised in preacher's families. Barry is the son of the well-known evangelist, Dr. Hal Webb. Cheryl is a pastor's daughter. Barry and Cheryl, are graduates of Bob Jones University and have served the Lord in full-time evangelism together since their marriage in August of 1981. They are members of a solid, fundamental Bible-believing and preaching, independent Baptist church and are very active in their local church when not engaged in meetings. Barry and Cheryl have ministered in Revival and Evangelistic meetings, Christian camps, Christian schools, and on mission fields.

PURPOSE

The team utilizes puppetry, chalk art, and ventriloquism, along with a solid program of vocal and instrumental music, ranging from mixed quartets to solos, to prepare hearts for dynamic messages from the Word of God. The whole program is designed to reach every level of the family, strengthening it, and thus strengthening the local church for the purpose of winning souls to Christ and edifying believers. Nothing the team does is for entertainment purposes. Everything from the puppets to the chalk drawings, points to the message from the Word of God. The simultaneous children's services Cheryl conducts are designed to communicate Bible truths to Children on their level. Even the humorous monologues used with teen activities are intended

to break the ice and build a rapport with the young people to enable the team to get God's Word through to them.

STAND

The team takes a strong stand on the importance of the local church and the inspiration and authority of the Scriptures. They have a strong emphasis on dedication, soulwinning, and the necessity for strong personal standards of holiness in every area of Christian living, including dress and music.

RECOMMENDATIONS

Howard Pyle -- Faith Baptist Church, Ellenwood, GA

"I rank Barry Webb and his talented, dedicated family at the top of my list of splendid, productive evangelists. Our people love their ministry, invite them back, and speak highly of them. They always "ring the bell" in the local church."

John Mincy -- Heritage Baptist Church, Antioch, CA

"Brother Webb has been used of the Lord in several meetings here at Heritage in the church and Christian school. He and his family have demonstrated spirituality, humility, hard work, and flexibility. They are one of our favorites."

Rick Arrowood -- Troy Baptist Temple, Troy, OH

"One word comes to mind when I pray for Barry, his family and his ministry...Consistency! Having him in our pulpit has fortified our ministry, strengthened our position and personally encouraged my heart as Pastor."

Dr. Bob Jones III -- Bob Jones University

"In a day in which evangelism is often characterized by flashy, shallow hype that leaves no continuing impact, his ministry is refreshingly welcome."

Walter Lancaster -- Allegany Baptist Temple, McCoole, MD

"Barry and Cheryl have been members of our church for eighteen years. I have observed their lives closely and have found them to be rock solid in their convictions and Christian character. The Webbs have a keen understanding of the workings of the local church. When they are home, they serve in every facet of our church ministry. I recommend Barry without reservation to any pastor seeking an evangelist that preaches straight as an arrow, but does it with a heart of compassion."
