

Footprints On The Sawdust Trail

Dr. Leon Foote July-04

IN THE GOOD OLE SUMMERTIME.....

Turn up the A/C in the car and the house and don't forget in the church, gas up the buses, line up the workers, pray, pray, and pray some more, and lets go to VBS.....

May 30 through June 4 we were in Rome, GA with Dr. Billy Goolsby, we always have G-R-E-A-T Bible Schools with the good folks there, and this year was no exception. His workers were well organized and ready to go. We had kids saved every night but one, and we are already booked for 2005.

To the mountains of Western PA with a young, old friend, Paul Haasz. Paul traveled two Summers with us so he was no stranger to our program. ANOTHER GREAT SCHOOL, Kids saved and we saw the good Blessings of God each service. Paul is still looking for the "Ole Timer" to come out. Maybe next time. And would you believe he booked me for Revival Meetings in 2005 and 2007? What's wrong with 2009??

Next to a new friend, Pastor John Pisarcik, in Jersey Shore, PA, a small church out in the country, (We do not consider the church size when booking meetings, never have--never will.) We had 15 kids the first night and 12 workers; I like that combination. Out of the 15, four were saved during the week. A-MEN !

Then to Indianapolis, IN, where we saw the 2nd Best VBS in 52 years of preaching. By the way, the best ever was in this same church several years ago. Pastor Tony Slutz, a very close friend, and the church go all out for VBS: renting a large "Moon Walk," Snow cone machine, cotton candy, pop-corn, and don't forget "Hot Dog Hill." AN EXCITING SCHOOL. The first night was described by Pastor Slutz as: 'A MINATURE BILLY GRAHAM CRUSADE.' As the kids were lined up wall to wall to get saved. We ran out of personal workers. I dealt with 19 at once. What a night!

A note the pastor wrote back says:

"What a wonderful week last week was! To God be all glory. Our final count of conversions was 112 ! That was one of our best ever. I am thrilled that our church has #1 and #2 best ever Bible schools for The Foote Evangelistic Team. The good folks here pull out all the stops. And, You and John and Monica always give it your all. That's an unbeatable combination"

OLE DOC ANSWERS:

Q. Should a Christian get involved in the coming election

????????????????????????????????????

A. A BIG YES !!!!! This year for a Christian the stakes are high. Caesar has intruded into the things of God, and if the wrong man gets elected as President there will be more intrusion. I heard John Kerry say that he was going to take America back from the FUNDAMENTAL PREACHERS. That is us! And you know what he means. The next president will appoint judges to the Supreme Court who will decide if "UNDER GOD" stays in our pledge, and if sodomites can legally marry. Romans chapter 1 is at stake. Who will defend our country the US or the UN???

Now let me be very frank with you, John Kerry is on the wrong side of all of these issues and so is John Edwards. The two most "Liberal" men in Washington. George Bush is not an angel nor is he perfect, but he seems to be on our side and has not threaten to take the country from Fundamental Preachers. By the way Kerry's quote comes from a "Communist" poet, Who is he reading???
We should do our part to get our Christian friends to register and vote for George Bush THAT'S HOW OLE DOC SEES IT.....

A BIG THANK YOU FROM BRENDA:

FOR PRAYERS, CARDS, PHONE CALLS, AND E-MAIL FOR A SPEEDY RECOVERY FROM RECENT COLON SURGERY & FOR COMFORT DURING THE HOMEGOING OF A DEAR COUSIN, JOYCE SPRATLIN, WHO WAS ALWAYS SUCH A HELP WITH PAPERWORK.

THERE IS SLOW IMPROVEMENT SINCE THE OPERATION, BUT PLEASE CONTINUE TO PRAY FOR CONTINUED IMPROVEMENT CONCERNING THE "SITTING" PROBLEM AND FOR THE LORD'S WILL AS TO THE TIME WHEN EVANGELISTIC TRAVEL SHOULD BE RESUMED!
THANKS AGAIN! BF
