

Footprints On The Sawdust Trail

Dr. Leon Foote

GOING, GOING, GOING AND STILL GOING NO! NOT THE ENERGIZER BUNNY OLE DOC. FOOTE

It began with two great weeks of Camp Meetings:

One in Pennsylvania, in the Erie Area, with Bro. Pollard, John Leatherman, Dave Foote, Owen Held, Bro. Seymour and first time Pastor & Mrs. Ronnie Vice Great Meeting.

Second one in the Central part of Pennsylvania – with Denny Malburne and Pastor Scott Caudill – More great service

Can hardly wait until next year. Great list of preachers already lined up.

Then home for a short week – My grandson, Joshua, joined me and we flew to Alaska for 7 Weeks. We were in 8 churches, One in an Indian village and a prison. Several men were saved and churches revived. We were saddened, (should have rejoiced with him) by the home going of a friend since 1961, Brother Red Ewing. He took my hand on a Friday and promised to meet me in Heaven. I flew to Ketchikan the next day, and he went to heaven 3 days later. Our loss is his gain.

Upon returning home, Brenda and I left for a 4- week revival trail that lead to IN., PA. and NY. Again, some men were saved and churches stirred. Ole Time Preaching of the Ole Time gospel. We were with Pastors: Ray Ford, Ray Umstead, John Leatherman and Rex Fullam III. They are “Faithful Men” doing a great job for the Lord in these days of confusion and “everything goes”.

Brenda and I stayed with some delightful people in NY. They were as crazy as we are and both families will never be the same. Right Sim and Betty? Betty's new found brother was saved during the meeting.

Well – I am home for a few weeks – then off to VBS. We have a limited schedule due to the soon arrival of our 12th grandchild and John's first. Abigail, (already named). The next year we will have a little clown for VBS>

REUNION IN AUGUST

In 1955-56 the Foote Evangelistic Term was composed of 3 college students – O’Neal Blow, Mack Richardson, and Leon Foote.

The team has changed many times over the years as new members have come and gone – It is different now in the summer, as John and Monica join Brenda and me.

This August 4th and 5th the original team will get together in Jacksonville, Fla. at the home of Mack Richardson, as O’Neal, his wife, and Brenda and I will talk of the “ Good Ole Days”. They also plan to join me that Sunday as I begin a week of meeting in Port St. Lucia, Fla.

Please pray for our meetings – This fall is filling up – I still work to get people saved and God is giving souls along the trail, but I am preaching more now to see our churches revived. I believe it is revival or ruin – Muslim churches are being built in the USA and Baptist churches are closing. WE NEED REVIVAL.

OLE DOC ANSWERS

Q.. What do you think about cremation?

A.. That is a big question for our day - I understand that in some countries they no longer allow burial and some like Alaska say that the ground is frozen too long and some say that cremation is a lot cheaper than our expensive funerals and burial. But I looked into the Bible and found Abraham buying a cave and a field to “bury” his dead. They kept Joseph’s body in Egypt until they could “bury” it in Canaan. The Bible speaks of those in the grave hearing his voice at the Resurrection. Jesus called Lazarus from the grave where he was buried. They buried John the Baptist. Jesus ,our example, was buried. So it is my belief that for a Christian cremation is wrong. That’s how Ole Doc sees it Let’s see your scripture.
