

Footprints on The Sawdust Trail

Dr. Leon Foote

That's A Lot...

In the past 52 years, I have preached approximately 12,000 sermons. That's a lot of preaching! Many of them in churches of pastors reading this newsletter. About 1/3 of them in the church that I pastored for 25 years.

God has blessed and given good results, and I meet many who have walked down the old Sawdust Trail and trusted Jesus. There are some pastors and missionaries that heard some of those sermons and walked the aisle and surrendered to God's service. Some churches have been revived and blessed by the strong preaching of those messages.

Many new sermons were added in 2004 and more are coming in 2005, as the Lord leads. I have some open time in the late spring and in the fall of 2005; and, would you believe, one or two weeks open for VBS.

The messages are ready for your church (not all 12,000!). Give me a call or e-mail. We would be happy to work for revival in your church.

Busy Fall

This has been a very busy fall! Brenda traveled with me in August to Port St. Lucie, FL- between hurricanes! Very good meeting with Rev. Clark Walden.

In September, I traveled alone as the Florida trip was not good on Brenda. In PA- two very good meetings with Fred Booher in Dunbar and Tim Shivler in Garrett. To the mid-west, with an old friend Larry Sinninger in Beecher City, IL. Another good one- three saved the night I left! Then back to the area where I pastored for 25 years to be with Charlie Hicks in Shade Gap, PA. Saw many old friends- always a delight to be with Charlie and Linda. Then to New York for two meetings (this is being written there); then back to Washington, PA.

Good results- the results of your prayers.

OLE DOC ANSWERS

Q. *What is the greatest need in our churches today?*

A. I guess there is always a need for more money for missions and the running of the church. There is always a need to get more people in- bigger crowds. (If you have 50 or 500- you want more.) Improved

buildings, more space, more kids, more teens, and I could go on... BUT the biggest need in our church today is a dedication on the part of God's people. If God's people would get close to Him, walk with God, our Sunday nights would be different. Prayer meeting would be full. If we all begin again to walk close to Him, it would make a difference in our world.

That's how Ole Doc sees ...

BACK TO "THE GREAT LAND"

Lord willing we will be in Alaska for
The months of February & March 2005.
Prayer needed and appreciated.

L.D.S = Latter Day Sinners

1. Moral and Immoral Sinners
2. Religious and Irreligious Sinners
3. Saved and Lost Sinners

List of L.D.S. is in II Timothy chapter 3

TROUBLE IN PARADISE?

The closest thing to heaven on earth is the church in fellowship with God and each other. It should be paradise. The most important building in your area should be the church-house. You should long to be there and can hardly wait for Sunday morning, night, and Wednesday to be with God's people and working together. But in many churches today there is trouble in paradise. Read Rev. chapter 2 and 3. It ends with not Jesus in the midst, but outside knocking to get in. Repent and do the first work!
