THREESCORE AND TEN AND STILL GOING...

On October 14 this old body that I live in will be 70 years old. (My mind still does not accept that.) Many have ask if and when I plan to retire. I usually reply, "When The Trumpet sounds.", meaning the Rapture.

BUT being realistic, I feel that I have at least 5 more years of traveling the roads of America preaching the Old Time Gospel. and seeing a touch of Revival in the Churches.

Brenda and I have seen God Bless and a taste of 'Old Time Power" these past 20 years.

We have made many new friend all over the country, Pastors and their people.

Now that I know that my time is limited I hope to be with many of them again before I have to put the brakes on the Windstar.

At present we have open time in the Spring and Fall of 2004.

I am having knee problems and have developed a slight limp, but it has not hindered my voice nor my preaching, and I am still going strong for the Lord.

**Thou knowest Lord, I'm growing older
My fire of youth begins to smolder
I some how tend to reminisce
And speak of good ole days I miss.
I am more moody, bossy, and
Think folks should jump at my command
Help me, Lord, to conceal my aches
And realize my own mistakes.
Keep me sweet, silent, sane, serene
Instead of crusty, sour and mean.**

I can handle pain . . . unless it hurts.

Exercise does not take time out of
your life; it puts life into your time.

My father did not tell me
how to live. He lived and let me
watch him do it.

If you continue to live in the past,
your life is history.

ABOUT THE VAN.....

We have made one year of payments on the Windstar (24 miles to the gallon). 4 more years to go. AMEN!! The churches are coming through with the payments. We could use one more church to put the van in your Missions program. (Almost 50 thousand miles on it now.)

Because you are giving, the van took us to Alaska where we saw souls saved almost every day. The little lad stood in front of the pulpit and the Pastor ask, "What are you doing here?" "I CAME TO GET SAVED." The little girl came up to me after the service and ask, "CAN I BE SAVED TOO?" THE LAST NIGHT OF THE TENT MEETING, almost all of the

Christians in the tent were on their knees at the altar.

The Van that you are helping pay for took us to these meetings where we saw these blessings, YOU HAVE A BIG PART IN THIS.. AMEN !!!!!!!!

OLE DOC ANSWERS

FALL 2003

Q. What is wrong with a board run church ?

A. That is exactly that is wrong, it is run by a board.

Where in the Bible do you find one Scripture to support a board or committee running a church? In Acts 15 we find a church business meeting. I do not find in that meeting one deacon nor one layman making any decisions.. The Preachers discussed things and the final decision was made by Pastor James.

Over the past 51 years I have known thousands of churches and have preached in hundreds. I have never seen one great church build by a board or committee. I have seen some destroyed by them. Great churches around the world past and present have been built by Pastors not Board, Thats how Ole Doc sees it.....

A woman in Alaska said.....

I HEARD YOU PREACH TWO YEARS AGO ON FORGIVENESS, IT CHANGED MY LIFE.
