FIRST TIME!

We so appreciate your prayers for our ministry! We are currently in the middle of our Fall schedule of meetings. A few weeks ago, we were finishing a meeting in Maryland above Baltimore. We were supposed to leave there on Saturday to drive to our next meeting in Chesapeake, VA. However, that was the weekend that Tropical Storm Ophelia struck the Tidewater area of Virginia with heavy rains, high winds, and flooding. It is not a good idea to drive a forty foot, high profile, fifth wheel trailer into the teeth of such a storm. Since the worst of it would be hitting the

Chesapeake area Saturday and would be coming through Baltimore on Sunday, we were forced to wait until Monday to make the trip. That, of course,

meant that we had to miss the first day of meetings for the **first time in forty two years**. It was a busy Monday with driving six hours from Baltimore to Chesapeake, unloading the equipment, setting up the trailer, setting up the equipment in the church (2 hours), and then having a service that night, but the Lord blessed and we had great meetings with souls saved! Praise the Lord. Following that week we had meetings in the Williamsburg and Richmond areas of Virginia. God blessed these meetings as well.

This week we are in the Greensboro, NC area. This is the **first revival meeting** the church has had since the present pastor has been here. It is a blessing to see the people excited and working hard to invite lost visitors. There was someone saved on the very first morning of the meetings. That encouraged the church folks as well. Please continue to pray for us as we finish the rest of our meetings for this year.

GLOBAL EVANGELISM

AUSTRALIA 2024

We are looking forward to returning "Down Under" next August.

We have had some wonderful meetings there with several different pastors. Please pray that the schedule will come together well, and that the Lord will prepare the hearts of the people to whom we will minister!

Fiji 2025

We were supposed to go to Fiji in 2021, but Covid closed the borders and we had to reschedule. We have seen more souls saved in Fiji than anywhere else in the world. We look forward to returning there in June of 2025.
