Acts 2:47 "And the Lord added to the church daily such as should be saved."

We appreciate all of you who

faithfully pray for us. We had several weeks off in January and February in order to deal with some necessary doctor and dentist appointments. We have been back on the road for a month. We have completed a total of five meetings this year. God has greatly blessed. We have seen multiple souls saved nearly every week, praise the Lord! One young man told us he was saved when we were in his church two years ago. He got his mother to attend this year and she also made a profession of faith. His younger sister also came, and she too was saved. Two of the churches we have ministered in have had Christian schools, so we have been busy preaching chapels besides the evening services. We have seen souls saved in both. Early this week an elementary student was saved. Her mother attended with her the next night, and she also trusted Christ! Last night, a man received Christ. He came with his wife, who was saved earlier in the week! There have been many decisions made by believers as well. **Praise the Lord!**

Thanks also for praying for protection from illness. Pastors have told us at each church that families have been "out sick" with the flu. However, so far this year we have not been sick with the cold and flu "bugs." **Praise God!**

We are also grateful for you who pray for our scheduling. We still have several weeks open this year. If you are a pastor, if your church is in the same geographic area as the open dates, and if you don't feel you can manage an extended meeting, ask us about coming just for a Sunday. We sometimes do that so that pastors can get acquainted with our ministry without a commitment to longer meetings. We look forward to hearing from you!
