### **MOVING!**

We want to thank all of you who prayed with us about the need to replace the fifth wheel trailer that has been our home for the past five years. After much research online, we found a floor plan we thought could work for us. Then we searched for a dealership somewhere "near" us to find one that had the model we were looking for on the lot for sale at a fair price. Two weeks ago, we drove to eastern Maryland where we were able to

examine the rig that interested us. After talking with the sales department, we made a deal on a new 2025 Forest River, East to West, Ahara fifth wheel. The "rig" is 37 feet four inches long. We

went back to western Maryland and moved our "stuff" out of our old Montana into our church nursery and fellowship hall. (We have no babies in the congregation at present.) **WHERE DID WE GET ALL THAT STUFF?** The following week we said "goodbye" to our Montana and "Hello" to the Ahara and after a three-hour drive, we arrived at our church and parked our new home in its official space beside our church building. Since then, we have been making some modifications to suit our needs, and started moving our stuff back out of the church and into the new rig. **WHERE ARE WE GOING TO PUT ALL THIS STUFF?** Please pray that we can get moved and settled before we begin our first meetings of the year! Thanks again for your prayers!

### **JUST A THOUGHT.**

John 1:14 *"And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth."* While studying to preach a sermon to our church family on the subject of the incarnation of Christ, I was impressed and blessed by this simple but profound thought: **"He made His residence with us, so that we could make our residence with Him!"**

II Corinthians 8:9 *"For ye know the grace of our Lord Jesus Christ, that, though he was rich, yet for your sakes he became poor, that ye through his poverty might be rich."*
