20th ANNIVERSARY

“Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.” Phil. 4:6-7 There

are some events in life that occur which are notable enough to warrant an anniversary celebration. Good events, invite us to stop and reminisce, but as the calendar turns, trying times can also, call us to remember them. Twenty years ago, in January of 2006, I was diagnosed with bladder cancer. A doctor in Pensacola, Florida found and removed four tumors. He said he believed he had gotten it all and that I should have regular checkups to be sure that it did not return. In April I saw a Urologist in Pennsylvania who found 15 more tumors and declared that I needed treatments. Immediately the Devil began to attack me with every morbid thought he could muster. However, I told the Lord I was resting fully in Him and that He could let the Devil know that he might as well not bother with those thoughts anymore because I was NOT going to go there! From that day on, I had no more of those negative thoughts! **“Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee.” Isa. 26:3. Praise God for His PEACE!**”

I cancelled eight weeks of meetings to undergo treatments. That meant no love offerings coming in. We mentioned our financial needs to no one but God. During those eight weeks, we received notes and letters from believers all over the country saying that God had touched their hearts to send us some money to help us during that time. In fact, we made out better during those eight weeks with no meetings than if we had had eight weeks of meetings! **Praise the Lord for His PROVISION.** **“But my God shall supply all your need according to his riches in glory by Christ Jesus” Phil. 4:19.** A third check up in September revealed four more tumors, and a reaffirmation that we would keep following the Lord one day at a time, one step at a time. In December, I was examined by a Urologist in South Carolina who declared that there were NO MORE TUMORS. **Praise God for**

His POWER! It has been twenty years since that battle with cancer. **Praise the Lord,** at His command it left and has never returned! **HAPPY ANNIVERSARY!!**
